THIS DECLARATION, made this 22nd day of Sept, 2005, by the
CITY OF NORFOLK, a municipal corporation of the Commonwealth of Virginia
("Declarant"), whose address is City Hall, 810 Union Street, Norfolk, Virginia, 23510.

WITNESSETH:

WHEREAS, Declarant is the owner of certain property located at E S Barre Street,
City of Norfolk, Virginia, Tax Account #2751-8900, and more particularly described in
Exhibit A, attached hereto and made a part hereof ("Property"); and

WHEREAS, Declarant, in order to provide for orderly development,
improvement and maintenance of the Property, and the surrounding neighborhood,
deems it suitable and appropriate to establish and publish certain standards and
restrictions and to impose the same upon the Property;

NOW, THEREFORE, for and in consideration of the premises, the mutual
benefits accruing to Declarant, to the surrounding neighborhood, and to subsequent
purchasers of the Property, Declarant does hereby declare said Property to be subject to
the following covenants, which covenants shall run with the land and shall be binding
on all parties having or acquiring any right, title or interest in and to the Property or
any part thereof.

A. PERMITTED AND PROHIBITED USES.

1. Any construction on or development of the Property shall be in keeping with the City of Norfolk's General Plan, as well as the City's neighborhood plans, as such plans may be approved from time to time by the City Council.

2. No building or structure of any kind shall be constructed, altered or permitted on the Property without the prior written approval of the design of such building or structure by the Director of City Planning for the City of Norfolk ("Director"). A set of plans shall be submitted to the Director for approval as set forth herein.

3. All buildings and structures located on the Property shall be kept in good repair and the Property shall be kept in compliance with all City codes and ordinances.

4. If the Property is located on a street or in a district that is designated as an underground street or district under the provisions of the Norfolk City Code, 1979, as amended ("City Code"), then any building or structure located on the Property shall be served by underground utilities, and no above ground poles and wires shall be permitted, unless otherwise provided in the City Code.

B. REVIEW AND APPROVAL OF PLANS

1. All plans for any new buildings or structures to be located on the Property, including any additions to existing buildings or structures, must be presented to and approved by the Director in writing prior to the commencement of any construction.

2. The Director shall approve or disapprove plans submitted to him within forty-five (45) days after an application has been made to him. If the Director fails to act within the said 45 days, the application shall be deemed to have been approved. In the event the plans are disapproved by the Director, the party submitting the plans shall have 45 days from the date of such disapproval to submit revised plans, such revised plans to contain any revisions required by the Director.

3. The plans required to be submitted to the Director for approval shall include a full set of construction plans and site plans.

4. The construction of any building or structure on the Property must commence within ninety (90) days of the receipt of approval by the Director. Work thereon shall be prosecuted diligently and must be completed within a reasonable time not to exceed twelve (12) months from the date construction commences.

C. GRANTEE'S ACCEPTANCE

The Grantee of the Property subject to the coverage of this Declaration, by acceptance of a deed conveying title thereto, or the execution of a contract for the purchase thereof, whether from Declarant or a subsequent owner of the Property, shall accept such deed or contract upon and subject to each and all of these protective and restrictive covenants and the agreements herein contained, and also the jurisdiction, rights, and powers of Declarant, and by such acceptance shall, for himself, his heirs, personal representatives, successors and assigns, consent, and agree to and with Declarant to keep, observe, comply with, and perform said protective and restrictive covenants.

D. EFFECTS OF PROTECTIVE AND RESTRICTIVE COVENANTS.

1. These protective and restrictive covenants shall run with the Property and shall be binding upon all parties and all persons claiming under them.

2. These protective and restrictive covenants may be changed, modified, or amended by a duly recorded instrument signed by the Declarant and the then current owner of the Property.

3. Each and every protective and restrictive covenant contained herein shall be considered to be an independent and separate covenant and agreement, and in the event that any one or more of said protective or restrictive covenants shall, for any reason, be held to be invalid or unenforceable, all remaining protective and restrictive covenants shall nevertheless remain in full force and effect.

4. The failure of any party or person to enforce a protective or restrictive covenant contained herein in any instance or against any person shall not constitute a waiver or abrogation of said protective or restrictive covenant.

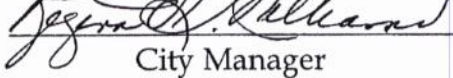

E. REMEDIES.

The Declarant or any party to whose benefit these protective and restrictive covenants inure may proceed at law or in equity to prevent the occurrence, continuation, or violation of any of these protective and restrictive covenants, and the court in any such action may award reasonable expenses in prosecuting such action, including attorney's fees. In addition to any other remedy available at law or in equity, a violation of any protective or restrictive covenant contained herein shall, in the sole

discretion of the Declarant and upon the giving of written notice to the then current owner of the Property, cause the title to the Property to revert to the Declarant.
